

Trump Lake Protective Association Annual Meeting

*Wabeno Town Hall
July 3, 2010
9:00am*

Trump Lake, Wabeno, Wis.

President Quentin Velicer called the meeting to order at 9:10am and a quorum was determined. Lake residents introduced themselves and a motion was made to accept the 2009 annual meeting minutes and was so passed by membership.

Members Present:

Dawn Ashbeck	Barb Barborich	Tom Barborich	Bruce Beck
Mary Beck	Jim Baumgartner	Marvin Braun	George Busch
Mark Coenen	Dale Dequaine	Jerry Diny	Cindy Hand
John Hand	Jodi Hessleman	Donna Hutchinson	Kevin Hutchinson
Ken Jacobs	Donald Jensen	Don Jewel	Pat Jewel
Brian Kerrigan	Bill Kieffer	Pat Kurtz	Tom Kurtz
Debbie Lee	Tony Lee	Diane Margenau	Charles Maus
Biz McEwen	Beata Melchior	John Melchior	Dave Morin
Dee Morin	John Myszewski	Roger Priem	Karl Reimann
Kathy Reimann	Andy Sawall	Pam Sawall	Carl Schessler
Linda Schessler	Dennis Schmidt	Jim Schmitz	Mark Sette
Tracie Sette	Kathy Siebers	Kathy Haage	Kay Swanson
Ron Swanson	Paulette Velicer	Quentin Velicer	Steve Vissers
Shawn Volk	Dave Ward	Luellyn Wickershiem	Richard Wickershiem

Mary Beck, reviewed the Treasurer's Report and added that during the transition of secretary/treasurer duties, we overpaid the Forest County Association of Lakes. Because of this, FCAL will not be paid for membership, senior outing or a donation for 2010. The treasury has \$1989.84 cash on hand, of which \$969.84 belongs to the general fund and \$1020 to the walleye fund. Ron Swanson indicated that the donation of \$200 given by the Lions Club following the Fisheree was intended for the Walleye Fund. Mary was not aware of this designation. Tom Kurtz moved that the Treasurer's report be accepted and Kay Swanson seconded. Motion passed.

Mary provided the Secretary's Report as follows:

- The 2009 Regatta Winners were 1st Place-Schmidt, 2nd Place-Sette, 3rd Place-Wickershiem
- 2009 Membership: There were 80 household memberships for the past year which is an increase of 4 members. A few officers and members talked to neighbors about joining which may account for the increase. Those who wish to encourage others to join were invited to take a summary sheet of the association activities and accomplishments
- Passing of Lake Residents. The association sent a sympathy card and memorial donation for Fr Giegel, Bud Landry and Arvina Youstra (Diane Margenau's mother). Cindy Hand reported that Carol Brinkman also passed away on May 3rd. Mary will send a card and donation to her family.

- Website: www.trumplake.org Mary discussed the website and requested old photos or postcards to add to the history section. Carl Schessler indicated he had a collection we could look at and copy.
- Mary passed around a sheet with Forest Republican articles about the Association and thank yous from families of residents who passed away last year.

Donations: Quentin opened the discussion about what donations we would like to make this year. Diane Margenau commented that she thought we should keep more money on hand rather than depleting the treasury each year for donations. Her thought was that we may need money for emergencies or to deal with lake quality issues. Ron and Tom B mentioned that the organizations did not necessarily count on the money though appreciated. Diane moved that we donate \$300 each to rescue squad and fire department. Motion seconded and passed by members.

- Wabeno Fire Department--\$300
- United Area Rescue Squad--\$300
- Walleye fund-- \$200 as designated by Lions Club Fish-o-ree donation
- Forest County Association of Lakes--\$0 due to overpayment

Upcoming Lake Events

- Pam Sawall reminded everyone about the evenings' "Team USA" Boat Regatta, 5pm line up: 5:15pm start time with boats going around once counter clockwise and then reversing so that regatta boats can see their competition. Pam asked that this years 1st place winner should bring trophy to 2011 meeting so all can see. Each 1st place winner's name is engraved on the traveling trophy.
- Annual Rummage Sale---August 6-7
- Golf Outing --August 7th, 2pm, Nicolet Golf Course
- Annual TLPA Picnic---August 7th, 5:30pm, Trump Lake Pavilion

Election of Officers (nominations from the floor)

- Vice – President—2 yr term: Ron nominated Tom Barborich, motion seconded and unanimously passed by membership
- President---2 yr term: Diane M nominated Quentin Velicer, motion seconded and unanimously passed by membership

Old Business

- No-Wake Buoys—Quentin reported that the DNR reimbursed us for the bouys
- 14" size limit for Bass---Quentin also reported that the limit size for Bass will be 14 inches beginning in the Spring 2011. The efforts of FCAL and other lake associations helped move this size change.
- Walleye Fund. Members were invited to contribute to Walleye Fund. Accounts are kept separate. The association will have another planting of fingerlings in the Fall.

New Business

- ATV Information—Quentin indicated that the ATV road access has been added. ATV's may now drive on Rummel Rd to H, Birch Rd to H and the Nicolet Trail to Laona. Speed limit was reduced to 10 mph on the lake road.
- Change Annual Meeting Date---did not discuss
- Chapter NR 115—WI Shoreland Protection Program, Pam Labine—Forest County Zoning Administrator informed FAL Board that there will be new building restrictions for lake properties to take effect Feb 2012. Building heights will be restricted to 25 ft.

Other Business

- **Tom Barborich reported on the Lake Quality testing that he has been doing for the DNR. The lake is clear though levels lower. You can find the data collected on the DNR website. <http://dnr.wi.gov/lakes/clmn/reportsanddata/station.asp?folder=clmn&stationid=213064>**
- **Rule benders—The Pavillion is being abused and folks are hanging out there after hours. Also boaters are not following the speed limits, the no-wake time periods and coming too close to piers. Boats are supposed to be 100 ft from pier and jet skis 200 ft. It was suggested that if folks didn't stop, the only recourse would be to call the town police and/or get registration numbers and report them. Some were hesitant to do that.**
- **Discussion about low water levels and hidden dangers in water such as pylons or logs. Those spots should be identified by buoys or other methods.**
- **Bill Kieffer invited those who like to play tennis to sign up with him and there could be an informal tennis group formed.**

Meeting adjourned at 10:10am
